Resort Rules

Sandy Square, including its parking lot is private property. The following Rules of Conduct are set forth for the purpose of protecting the property and the interests of the Resort's owners. If you are not an owner of a condominium unit or of a timeshare unit you are considered a guest.

These rules are our general guidelines for protection of our property and for behavior; they are not intended to apply to each possible act within the Resort. Any violation of the rules interferes with the resort and residential nature and function of the property. If any guest should refuse to follow any rule, the guest will be asked to leave the property. Should any guest fail or refuse to leave the property, he or she may be subject to arrest. If you are evicted from the Resort and the unit which you are renting, for failure to abide by the rules or for any reason, you will NOT be entitled to a refund of the rents paid in advance and you will be responsible for any damages to the unit or condominium property caused by you and/or your guests.

AGE REQUIREMENT: Individuals under the age of twenty-one (21) will not be permitted to occupy a unit without a parent or legal guardian present. The person who made the reservation must occupy the unit for the length of the stay, unless other arrangements are made with management, and is responsible for all damages or missing items in the unit.

CLEANING AND DAMAGE: If the unit is left in an unsatisfactory condition that requires more than the normal housekeeping time to clean it, you may be charged an additional cleaning fee - a minimum charge of two hundred fifty dollars (\$250.00). In addition, you are liable for the expense of any maintenance repair and/or replacement rendered necessary on anything that is soiled, damaged or broken in the unit during your stay.

COURTESY: Profane, obscene, loud or boisterous language, or unseemly behavior and conduct are absolutely prohibited. Please refrain from any action or activity that will annoy, harass, embarrass, or inconvenience the owners and other guests of the Resort. QUIET HOURS WILL BE ENFORCED from 11:00 p.m. to 8:00 a.m.

DISTURBANCES: During your stay, please conduct yourself in a manner that does not unreasonably disturb your resort neighbors or constitute a breach of the peace. Illegal activities on the premises will not be tolerated. You shall not make or permit any disturbing noises, nor any activity that will interfere with the rights, comforts, clear passage or convenience of owners and other resort guests.

EXTERIOR: Nothing shall be thrown out of any window, door or from any deck. Towels, clothing or other items shall not be hung from the windows, deck or deck railing.

GARBAGE: All garbage and refuse shall be disposed of in a timely manner in the dumpsters provided on the Sandy Square property.

GAS OR CHARCOAL GRILL: For your safety and the safety of others, we do not provide or allow gas or charcoal grills to be used on the deck. This is a fire hazard.

LOSS OR THEFT: The Resort is not responsible for damage to or loss of personal property or automobiles. If, upon your departure, you discover you have left an item in your unit, please call us to report it as soon as possible. Our staff will check the unit for the lost item and contact you if the item is found. Your prompt response is important!

NO PARTY POLICY: We strive to provide the highest level of guest satisfaction to all guests utilizing the property. In order to maintain the highest standards possible, we have adopted a No Party Tolerance Policy. If for any reason a guest in any unit disturbs or disrupts any other guest, Sandy Square reserves the right to evict any violators with no refunds of any money paid. In accordance with state and local laws, all persons must be 21 years of age or older to consume alcoholic beverages or to have alcohol in their possession. All violators of this policy will be evicted without refund of any money paid.

OCCUPANCY: The maximum number of guests per unit is limited to EIGHT (8) persons. Any deviation from this requirement will automatically terminate the rental agreement.

PARKING: Guests should display the parking passes we have provided on the dashboard of each vehicle in the Sandy Square parking lot. Vehicles that are inappropriately parked will be subject to towing at the expense of the vehicle owner. Motor Homes, boats and Trailers are not allowed to park on property. Our staff will be able to suggest alternative parking spots.

PETS: Pets such as dogs, cats or caged birds are allowable only if they are registered with the Manager and payment of a \$200.00 non-refundable fee. The number of pets must not exceed two (2), and authorized pets must be carried or leashed while outside your unit.

Should you see a pet owner not following our rules we would appreciate a call to our management office at (443) 856-4275.

REPAIRS: Please notify property management immediately of any necessary repair or unsafe condition of any kind within the Resort.

TRASH RECEPTACLE: Our trash dumpsters are located for all units in the parking area. Please be sure to close the bags tightly to prevent wildlife from getting into the receptacles.

Policy for Pets

We welcome your extended pet family! Sandy Square allows the keeping of dogs, cats and caged birds as domestic pets in the units during your stay. Although we welcome your pets, it is important for the enjoyment of other Owners and their guests that the following pet policy be respected:

- No more than two (2) common domestic pets limited to dogs, cats and caged birds shall be permitted. The combined weight of the dog(s) and cat(s) is seventy-five (75) pounds. Management retains the right of final approval on each pet permitted to stay.
- Sandy Square will require a two hundred-dollar (\$200.00) Pet Fee from the pet owner at the time of check-in, which shall be non-refundable. If the pet is registered one week prior to check-in, the fee will be (\$150.00). Note that this fee is for the privilege of bringing your pet to the resort and does not cover the cost of any damages or extra cleaning caused during your stay. If you or your pet causes any excessive cleaning issues, you will be charged for the additional costs of cleaning. If you report the need for excess cleaning on Friday or Saturday, your charges will be limited to the cleaning costs. If the need for additional cleaning is not reported or discovered until Sunday, you will be charged the cleaning costs plus \$200.00 which will be paid to the next occupant for their inconvenience of not being able to check in on time or having to deal with wet carpets.
- Pit Bulldogs and Doberman Pinschers that are known to have the potential for vicious or dangerous behavior are prohibited.
- No pet may become a nuisance or annoyance to other occupants, or pets.
- All pets must be kept indoors.
- All pets (including cats) must be leashed or carried by hand always when outside a Unit.
- All persons with pets must clean up all wastes of their pets and dispose of all wastes.
- No pets shall be left unattended on a balcony.
- Owner will be held financially responsible for any damage caused by their pets.
- Without limiting the generality of the other provisions of this policy, violations of this policy shall entitle the Association to its rights and remedies including the right to fine an Owner or to require any pet to be permanently removed from the Property with twenty-four (24) hour notice. Failure of an Owner to remove a pet

once requested, entitles the Association to obtain an order from a court of competent jurisdiction enforcing the decisions of the Board. All costs incurred by the Association incident to all such actions, including reasonable attorneys' costs and fees, shall be recoverable against the offending Pet Owner.

- If you are found to have been on property with a pet for twenty-four (24) hours without having voluntarily paid the Pet Fee, you will be locked-out of your unit, and you will be assessed a five hundred dollar (\$500.00) penalty, in addition to the two hundred-dollar (\$200.00) Pet Fee in order to regain access to your unit.

PET POLICY/SERVICE ANIMALS POLICY/COMFORT ANIMALS POLICY

The following will apply for Owners/guests with a service animal(s) covered under the ADA service animals' provision:

1. The service animal(s) must always be under the control of the owner and cannot be left alone or unattended in any unit.
2. The service animal(s) cannot be left alone on any balcony.
3. If the owner/guest doesn't take effective control of the service animal(s) or if the service animal(s) poses a direct threat to the health and safety of others that cannot be eliminated or reduced to an acceptable level, the service animal's owner/guest may be requested to remove the service animal(s) from the premises. However, the owner/guest will be allowed to return to the property without the service animal(s).
4. The service animal(s) must always be on a leash or be carried by hand when outside a unit.
5. The owner/guest must clean up all wastes of their service animal(s).
6. The owner/guest will be responsible for any maintenance or repair to the unit(s) caused by the service animal(s) in accordance with the By-Laws of Sandy Square Condominium.

Unregistered service animals will be considered pets and covered under the pet policy.

"Comfort" Animals Policy

Emotional support animal, comfort animals and therapy dogs are not service animals under Title II and Title III of the ADA. Other species of animals, whether wild or domestic, trained or untrained, are not considered service animals either. The work or tasks performed by a service animal must be directly related to the individual's disability. It does not matter if a person has a note from a doctor that states that the person has a disability and needs to have the animal for emotional support. A doctor's letter does not turn an animal into a service animal.

Therefore, emotional support, comfort and/or therapy animals will be considered pets and covered under the pet policy.

In the event of a fire emergency...

Each of our units is equipped with smoke and carbon monoxide detectors, as well as a fire extinguisher located in the kitchen. If the fire is in your unit, do not investigate or try to fight the fire on your own, GET OUT! Once you are outside the unit, use one of our strategically located pull stations and leave the premises as soon as possible.

Your best defense against a Fire is to Plan Ahead

- The front door of your unit is your primary exit in the event of an emergency. If the fire is in your unit, get out and close the door behind you. The fire extinguisher, located in the kitchen, can be used to help clear an escape route.
- Do not attempt to fight the fire on your own!
- If you hear a fire alarm, ACT, don't simply investigate.
- If the fire is not in your unit, leave if you can. First, feel the door. If it is cool, open it slowly and leave the unit. Once you are outside, use one of the strategically located pull stations and leave the premises as quickly as possible.
- Do not use the elevator if you are exiting the building due to a fire.
- If the front door is hot, don't open it. Your unit may be the safest place to be. Seal any cracks around doors and windows with wet towels or bed linens. Shut off fans and air conditioners. Signal from a window.
- Call the fire department and wait to be rescued.

Travel Safety Tips

- Don't answer the door without verifying who is there. If a person claims to be an employee, call the Resort Manager at (443) 856-4275 and ask if someone from the staff is supposed to have access to your unit and for what purpose.
- When returning to your unit late in the evening, be observant and look around for suspicious persons or situations.
- Close your door securely whenever you are in your unit and use all the locking devices provided.
- Do not draw attention to yourself by displaying large amounts of cash or expensive jewelry.
- Do not invite strangers to your unit for any reason.
- Do not leave valuables in your vehicle.
- Check to see that any sliding glass doors or windows are closed and locked.
- If you are traveling with children, always provide adult supervision and know their whereabouts .
- If you see suspicious activity, please report your observations to the Resort Management.
